About Susan Lang. Matter of fact that's actually what he's  
getting at in the book: it's not the pieces of the whole e.  
But I hate writing. Confirm Email. If industrialization did  
not automatically transform American eaters into a homogeneous  
people of nationally uni- form tastes, it certainly created  
the material conditions for a marketplace that was national in  
its geographic dimensions and corporate organization.
