On the lower shelf where they were supposed to line up, Bass: An Undercover Novel was an empty space. Although I agree that failure should not be ignored with reckless abandon, evaluating all circumstances as the article suggests can help to reduce the fear of failure in a situation that may actually provide success. People near the center of a community tend to grow happier over time than those at the edges. The main appeal of originalism is that it appears to tie constitutional interpretation to original meaning. Kurzban has applied similar reasoning to other phenomena such as cooperation, morality, and mate choice drawing out implications for modern speed dating. Read the fine print on
