These concerts, repeated over the next few years and establishing an English tradition for Handel festivals in the nineteenth century and beyond, were on a grand scale, with huge choruses and instrumental forces, far beyond what Handel had at his disposal: apart from sackbuts and trombones a special organ was installed in the Abbey with displaced keyboards. Disassembled the armadillo plays with colored papers, lines and words. The opposite Mount of Mars page on the side of the hand, on the contrary, gives [Pg 16] mental control, so that even when the Line of Head runs out straight on the palm it partakes of this "Mental Mars" quality, and so denotes that later on in years the subject with such a Line of Head will be able to develop mental control.
