## **The Empire of Civilization: The Evolution of an Imperial Idea**

Queer game design is not immune to erasure, and by examining the state of currently available and celebrated games and games that address queerness, we can explore ways to expand our narratives to include the entire glorious rainbow. Expressionism proper seeks to take that opposition to Naturalism to a new formal extreme, insisting that its aim is not a naturalistic depiction of the external world, nor even an impressionistic capturing of the shifting patterns of light on the surface of that reality, but an intuitive grasp of essence.
