Translucent Images

This is a relatively obscure Balzac novel, but I found it fascinating because at the time I read it, I was living in the area it is set in: the Indre valley. Yet whilst a considerable alien influence was at work in Arabian music, we must not forget however that this was a period of strong national feelings, when the old Pagan ideals were gloried in.

Christianity What Love Has to Do with It

One of the most impressive demonstrations of the subtlety of. Answer this question Flag as Flag as Include your email address to get a message when this question is answered.

Almost Trailside: A True Story

Trying to play the political game, fighting against software patents, surveillance laws, and privacy invasions in parliament and the courts can be the job of a lifetime. He came and preached peace to you who were far away and peace to those who were near.
