The arrival of the four-wheeler presents the opportunity for ESM to accept change, or at the very least acknowledge its potential benefits. Being carefree is the reason for his confidence in his commerce with men, and for not giving in to petty annoyances. All we know or may ever know of it is that it exists and is ever working and producing all results in physical things, seen of physical sense - and many more not so seen. He played an important role in lobbying for that Reorganisation, which established unitary authorities throughout Wales. That's about all I can take from Green Arrow's new I didn't hate the first volume at all.
